Issue: January 2019

Wednesday, January 2, 2019, Meeting Keeping Palm Beach County Safe and Clean

**Presentations: Palm Beach County Sheriff's Office on Graffiti Removal/
Volunteering/Environmental Crimes and
Solid Waste Authority on New Contracts/Automation**

**Also Government Officials and Representatives from PBSO & Fire Rescue, with
updates on vital issues affecting your community**

This January's meeting will be packed with information on graffiti reporting and removal, how environmental crimes are addressed and volunteer opportunities with the Palm Beach County Sheriff's Office (PBSO).

The Solid Waste Authority (SWA) will be bringing in the newest types of trash bins that will be used pursuant to the 2019 contracts. An explanation of the automation process will be provided. Bring your questions so the SWA can clarify the new collection procedures and you will be able to take the information back to your community.

5 Places to Visit Within a 15 Minute Drive

Looking for a terrific “staycation” day when friends and relatives visit during the season? Here are five activities within a fifteen minute drive that are interesting, educational with reasonably priced or free admission.

Daggerwing Nature Center is a natural preserve area located at 11435 Park Access Road in Burt Aaronson South County Regional Park. There are energized interactive exhibits in the 3000 sq. ft. exhibit hall instructing visitors on aspects of conservation of wildlife in native habitats. Live animal exhibits from alligators to owls can be viewed. There is also a boardwalk with observation tower and butterfly garden where visitors may catch a glimpse of the Daggerwing Butterfly. Admission is FREE.

Arthur R. Marshall National Wildlife Refuge is located down the Road from Bedner’s Farm Market at 10216 Lee Road off of State Road 7/441. There is a wonderful interactive exhibit hall here as well where visitors can experience the sounds of the Everglades wetland ecosystem from twilight to pitch darkness to sunrise within a few minutes. A simulated airboat ride complete with wind is one of the highlights. “George” the gigantic alligator can often be found at the edge of the pier grabbing the fisherman catches before they can be reeled in. It is some sight to see! Admission is FREE with a US Senior Park Pass otherwise, there is a \$5 fee per vehicle.

Silverball Museum Delray Beach located at 19 NE 3rd Street is a step back in time with classic pinball machines and vintage games including Skee-Ball. All games are set for free play with an entry pass. This is a terrific experience for the family to enjoy some old-fashioned arcade fun reminiscent of Asbury Park’s old Casino and Coney Island’s amusements. Admission: visit the website because there are many offers which change weekly.

Puttin’ Around is described as an “oasis in the city” located at 350 NE 5th Avenue. It offers two 18 hole mini golf courses, one with an ocean theme and the other with an everglades theme. It’s a great place to spend a couple of hours among lush vegetation in the heart of Delray. BOGO coupons and “Groupons” can be found on line and at the Delray Beach Chamber of Commerce.

Delray Beach Greenmarket offers music and a “dog show” each Saturday from the end of October to the beginning of May. The Greenmarket operates from 9 AM to 2 PM at Old School Square Park on NE 2nd Avenue 1/2 block north of Atlantic Avenue. More than sixty-five farmers/growers and purveyors of artisanal gourmet foods offer delicious and often unusual produce and prepared cottage industry items from international cheeses and specialty pickles to spices and homemade soaps. The “dog show” is virtually everywhere in the market. The shoppers bring their pets, dressed up and well groomed, because this is a pet-friendly market in a pet-friendly city. Admission is FREE and there is a bounty of free samples of foods such as cheese, paella, pickles, and specialty crackers and sauces.
