## March 2019 Newsletter

### Dear Taxpayers:

Exciting news for all future permanent Florida resident homeowners in Palm Beach County...I am happy to announce a new and improved feature on the Property Appraiser Public Access (PAPA) website, which will be available beginning on March 18, 2019 – E file for a homestead exemption the same day you close on a new home.

In the past, in order to E file for a homestead exemption on PAPA, it was required that you have your recorded deed, along with other necessary documents. Now, the day you close on a new home in Palm Beach County, you can E file without the deed.

The homestead exemption in the state of Florida can save hundreds of dollars in property taxes for permanent Florida residents. The first \$25,000 in property value is exempt from all property taxes, including school district taxes. The additional \$25,000 exemption is available for non-school taxes and applies only to the assessed value between \$50,000 and \$75,000.\*If you already have a homestead exemption on your property, you do NOT need to reapply.

In addition, Florida residents can take advantage of other property tax savings including, if you're moving within the state of Florida and you're filing for a homestead exemption, you can E file for portability too. (Portability is transferring all or a significant portion of your cap savings, up to \$500,000, from a home with a homestead exemption to a new home within the state of Florida that qualifies for a homestead exemption)

And a reminder about filing deadlines pertaining to property tax exemptions for the 2019 tax year. March 1, 2019 is the deadline to file for the homestead exemption and other property tax exemptions, which include those for seniors, widows and widowers, persons with disabilities, active-duty military, veterans, "granny flats" and more. For a complete list of exemptions go to our website: [www.pbcgov.com/PAPA](http://www.pbcgov.com/PAPA) or call us at 561.355.2866.

In this month's newsletter, a reminder to all business owners in Palm Beach County about filing for a Tangible Personal Property Tax Return for 2019 and my office's annual college scholarship application process is now open. Enjoy reading.

**Respectfully,**

**Dorothy Jacks, CFA, AAS**

## Business Tangible Personal Property

Florida allows an exemption up to \$25,000 in value for tangible personal property assets used by a business. You must file an initial Tangible Personal Property Tax Return (DR-405) to receive the exemption. Thereafter you need not file an annual return unless the value of your tangible personal property exceeds \$25,000 on January 1. Tangible Personal Property used in a business includes furniture, fixtures, machinery, tools, equipment, appliances, signs, leasehold improvements, supplies, leased equipment and any other assets used by the business.

**The filing deadline is April 1.** Failure to file will result in the loss of the exemption and assessment of penalties per Florida Statutes, Sections 193.072 and 193.073.

Save time, paper, and postage by filing online using the [E File link](#) on our website [www.pbcgov.com/papa](http://www.pbcgov.com/papa). If you do need a paper form (DR-405) you can download it from our website using the [Forms link](#). If you have any questions about reporting personal property, tangible E Filing or the \$25,000 tangible exemption, please call our office at **561.355.2896** or email us at [patangible@pbcgov.org](mailto:patangible@pbcgov.org)

## Property Appraiser's Office Annual Scholarship Awards Program

The Palm Beach County Property Appraiser's Office (PAO) is accepting applications for the 26th Annual Scholarship Awards Program. This year, my office is offering six college scholarship awards, \$1,500 each to graduating (Palm Beach County) high school seniors, who will attend accredited higher education institutions. The deadline to submit is **March 31, 2019**.

*(Property Appraiser Jacks with 2018 Scholarship Recipients)*

To be eligible for a scholarship award, a student must be a resident of Palm Beach County, have a minimum of 3.0 GPA, and plan to attend an accredited higher-education institution (college or junior college).

In addition to receiving a scholarship, each recipient will be offered an opportunity for a paid summer internship in the Property Appraiser's Office.

Since 1994, the PAO has awarded \$130,000 in college scholarships. The program is particularly special to the PAO because the money raised for the scholarships is 100% funded by my staff who participate in "Friday Casual Dress Day", a volunteer donation program.
