Clerk & Comptroller's Award-Winning Report Now Available

Protecting your tax dollars and public funds is one of my most important responsibilities.

As your independently elected Clerk & Comptroller for Palm Beach County, I am committed to providing you with straightforward and transparent information about how your tax dollars are managed and spent.

For the past 13 years, my office has prepared [*Checks & Balances: Your Guide to County Finances*](#). This easy-to-read report provides clear and concise information about Palm Beach County's financial health.

Each year, my team of skilled finance professionals reviews an array of data that measures the financial strength of Palm Beach County government. In addition to examining how your tax money is collected and spent, we evaluate other important metrics, such as housing prices and employment rates.

Checks & Balances is one of the many useful financial publications created by my office. You can find it, along with our more in-depth Comprehensive Annual Financial Report, on my website, mypalmbeachclerk.com/countyfinances.

It is my honor and privilege to serve as your Clerk & Comptroller. Thank you for taking an interest in how your tax dollars are spent.
