## **Balanced Budget Approved**

On August 14, 2019 the LWDD's Board of Supervisors adopted a balanced budget for the fiscal year 2020. The budget reflects LWDD's continued commitment to operations and maintenance with substantial resources appropriated for canal rehabilitation, and the refurbishment/replacement of flood control facilities.

## **Senior Preparedness**

All types of emergency situations can leave you without access to basic services like water, electricity or communication.

Knowing how to prepare and what to expect is especially important for seniors. Download a copy of the American Red Cross guide 'Disaster Preparedness for Seniors by Seniors' for tips on emergency readiness.

## Iguana Control

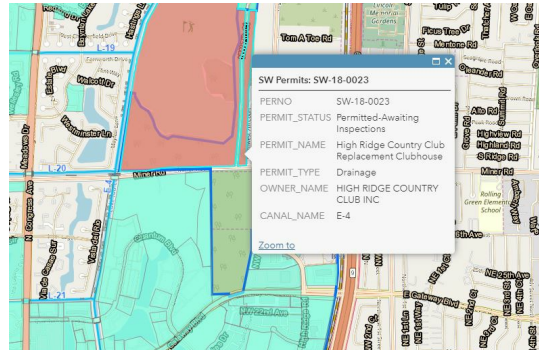

Iguanas love to hang around canals and lakes. They are able to hold their breath up to 20 minutes under water. There are things homeowners can do to discourage the iguanas making their home in your backyard like modifying the habitat around your home or humanely harassing them.

## Public Mapping Portal

GIS data and various maps are available to the public on our online Mapping Portal at [www.lwdd.net](http://www.lwdd.net). On the portal you will find maps and information on LWDD's boundaries, canals, water control structures, permits and maintenance activities. If you cannot find what you are looking for, contact us at 561-498-5363 or email [info@lwdd.net](mailto:info@lwdd.net).
