Dear Friends,

As of Friday, March 13, 2020, the State Department of Health has confirmed 51 cases of the coronavirus known as COVID-19 in Florida, including two confirmed cases in Palm Beach County. Another 476 residents are currently being monitored.

Your safety and the safety of our employees are my top priorities. I want to let you know what our office is doing to keep you and our employees safe.

- We are disinfecting all equipment, surfaces and common use objects throughout the day.
- We are urging employees to take common sense health precautions including frequent handwashing, using hand sanitizer after serving each client and covering a cough or sneeze.
- We are urging employees to stay home if they are sick and use our paid time off options. Employees who appear sick will be sent home.

Out of an abundance of caution, I urge you to reconsider visiting our office for service. Many of the services we provide are also available online at www.pbctax.com.

- [Pay property taxes](#) – Please note 2019 real estate property taxes are due by Mar. 31 and cannot be paid online when they become delinquent Apr. 1.
- [Pay tangible personal property taxes](#)
- [Renew a Local Business Tax Receipt](#)
- [Renew a vehicle, vessel or mobile home registration](#)
- [File and pay Tourist Development Tax](#)

Thank you for your patience and cooperation. Please stay safe!

Warm regards,

Anne
