

## PALM BEACH COUNTY SHERIFF'S OFFICE

Sheriff Ric Bradshaw has established a program to assist you, your family, friends, neighbors, members of organizations and community associations in the event you are unable to get out of your homes to go to the grocery store or the pharmacies. Several of the Palm Beach County Sheriff's Office Volunteers are ready to assist you by picking up your grocery store orders and delivering them directly to your door. All orders must be **PREPAID** at your favorite food store or pharmacy. When you place an on-line order or place a phone order make sure you leave **your** name on the order. You must be home to receive your delivery, please let your gate security know that we are delivering for you and also advise that the Volunteer will be in uniform and driving a Volunteer vehicle.

Please call or email the following **between 8:00 AM - 4:00 PM** for information and to advise that you have placed an order:
