

Dear Commissioners, County Administrators and Staff,

The School District of Palm Beach County has created a parent survey to capture input on their reopening plans. The survey launched earlier today and is available online (<https://sites.google.com/palmbeachschools.org/parentreopeningsurvey/home> [sites.google.com]).

The survey can be taken on a smartphone or computer, and is available in the following languages: English, Spanish, Haitian-Creole, and Portuguese.

The survey will remain open until June 17. The results will be shared at the School Board Meeting on July 1.

Any efforts to help share the survey would be appreciated.

Stay Well,

Rebecca
