Dear Neighbor,

Do you wonder if there will soon be a cure or vaccine to stop COVID-19? Why are cases spiking in Florida? When can we get back to normal? Is indoor dining safe? Find out during my telephone town hall this Thursday, July 2nd, at 6:30 PM, when you will have the opportunity to get answers to your questions from nationally renowned experts. My guests include:

- Dr. Nahid Bhadelia, Infectious Disease Physician and Medical Director of Special Pathogens Unit at Boston University School of Medicine
- Dr. Terry Adirim, Senior Associate Dean at the Charles E. Schmidt College of Medicine at Florida Atlantic University
- Gregg Weiss, Palm Beach County Commissioner

Register for the telephone town hall here: <https://frankel.house.gov/live/> . You can also

submit a question to be answered during the event [here](#).

## **RESOURCES**

In the meantime, I want to make sure that you are able to access the resources you need to navigate this public health emergency. Please [visit my website](#) for a list of helpful resources for everyone including small business owners looking for economic assistance, workers seeking unemployment benefits, and seniors seeking to protect themselves from COVID-19.

## **A SHARED RESPONSIBILITY**

As always, I encourage everyone to follow the [CDC's best practices](#) and rely on the [CDC](#), [Palm Beach County Health Department](#), and [Florida Health Department](#) for the most accurate and up-to-date information on confirmed cases.

Last week, the Palm Beach County Commissioners made the important decision to require the wearing of masks in establishments open to the public and where social distancing isn't an option. This is an important step toward stopping the spread of COVID-19 in our community, and I urge you to take this rule seriously, and wear a face covering whenever you are going out in public.

Please also consider registering to vote-by-mail for the upcoming elections [here](#).

It's also not too late to participate in the 2020 Census! Your participation can help make sure our community gets the funding it needs to thrive. [Click here](#) to fill out a safe, secure census form.

If you have questions, please feel free to reach out to my office in Boca Raton or D.C. by calling the numbers listed below. For regular updates, follow me on social media @RepLoisFrankel or sign up for my newsletter [here](#).

Sincerely,

Congresswoman Lois Frankel
