

Dear Friends,

As I write this message, Palm Beach County continues to add new COVID-19 cases daily. I urge you to not let your guard down. Continue to protect your health and the health of others by wearing a face mask or cloth face covering, washing your hands frequently and maintaining a social distance of 6 feet or more from those around you.

Closing our lobbies to the public is just one action we have taken to reduce the spread of illness in our community. This change has eliminated overcrowding and allowed for proper social distancing in our offices. The feedback I have received from staff and our clients is overwhelmingly supportive.

Primary Day is Aug. 18 and I encourage everyone to get involved with the democratic process and vote. Election Day comes one week before Women's Equality Day, a day in which we celebrate the passage of the 19th Amendment, giving women the right to vote. This amendment took over 70 years to pass. I can't think of better way to honor the suffragists who fought for this right than by voting in the 2020 Primary Election!

Sincerely,

Anne M. Gannon  
Constitutional Tax Collector, Serving Palm Beach County
