

Dear Neighbor,

Join me this Thursday, September 17th, at 6:30pm for a virtual video town hall when we will focus on children going back to school and other COVID-19 issues.

Whatever your questions, you will be able to ask them during my WebEx virtual town hall, where I'll be joined by a panel of experts including:

- State Senator Lori Berman
- Dan Domenech, Executive Director of The School Superintendents Association
- Dr. Aileen Marty, Professor of Infectious Diseases at Florida International University
- Karen Brill, Palm Beach County School Board
- *More guests to be announced*

This week's town hall will take place on WebEx, an online event platform, that will allow you to see me and my panelists during our conversation. You'll also be able to ask us questions directly using the Q&A function. You can register for the virtual town hall [here](#). You can also submit a question ahead of time to be answered during the event [here](#).
