

The Slosberg Report

COVID-19 VACCINE UPDATE

Publix, Walmart, Sam's Club, & Winn-Dixie Offer Vaccines

In an expansion of the state's vaccination efforts, the COVID-19 vaccine will be available at select Publix, Walmart, Sam's Club, and Winn-Dixie locations across the state of Florida, with the initial roll-out beginning later this week.

Additional details and information on how to sign up for a vaccination appointment at any of those retailers is listed below.

Publix

Publix opens their appointment portal on Mondays, Wednesdays, and Fridays at 7:00 AM. You can make an appointment at www.publix.com/covid-vaccine/florida.

Walmart and Sam's Club

Walmart and Sam's Club will begin distributing vaccines to select stores later this week. You can make an appointment for a vaccination at Walmart at www.walmart.com/COVIDvaccine or at Sam's Club at www.samsclub.com/covid.

Winn-Dixie

Winn-Dixie locations will offer vaccines at certain stores later this week. You can make an appointment at www.winndixie.com/pharmacy/covid-vaccine.

State Pre-Registration System

We also encourage you to pre-register through the state's online portal, which will notify you when new vaccination appointments are available in your area. **You can pre-register online here** <https://myvaccine.fl.gov> or by

Representative Emily Slosberg
Florida House of Representatives
District 91

phone by calling (866) 201-6754 or (561) 625-5180.

New COVID-19 Vaccine Program for Holocaust Survivors

Holocaust survivors and their spouses are eligible for a special allotment of the COVID-19 vaccine. Please request an appointment by calling the Holocaust Documentation and Education Center at **(954) 929-5690, Ext. 302**. Someone will call to set up an appointment and will make a house call to administer the vaccination.

Mass Vaccination Site Opens at South Florida Fairgrounds

Representative Slosberg attended a tour of the mass vaccination site at the South Florida Fairgrounds. The vaccination site opened this week and the Department of Health is working down the current registration list. The Department of Health plans to begin taking new registrations for the vaccination site in a few weeks.
