

Dear Neighbor,

Congress recently passed a historic COVID-19 relief package that is getting vaccines into arms of Americans, money into the pockets of families, our students safely back to school, and our workers back on the job. This bold package really does a lot, but what does it mean for you and your family?

Join my [video town hall](#) this Thursday, March 25, 2021 at 6:00PM to ask me and my guests ANYTHING about the financial relief available to YOU from the *American Rescue Plan*. I'll be joined by an impressive panel of local and national leaders to answer your most pressing questions. My guests include:

- Congresswoman Annie Kuster (NH-02)
- Dr. Alina Alonso, Director, Palm Beach County Health Department
- Dr. Verdinia Baker, Deputy County Administrator, Palm Beach County
- James Green, Director, Palm Beach County Community Services Department
- Dr. Debra Robinson, Palm Beach County School Board
- Debra Salas, Lead Lender Relations Specialist, South Florida Small Business Administration

Register for the telephone town hall here: <https://frankel.house.gov/live/>. You can also submit a question to be answered during the event [here](#).
