SFWMD meetings are conducted via Zoom, a free online meeting tool. You

can [learn more about attending a Zoom meeting](#) and even [run a test on your computer, tablet or smart phone](#).

The South Florida Water Management District is a regional governmental agency that manages the water resources in the southern part of the state. It is the oldest and largest of the state's five water management districts. Our mission is to safeguard and restore South Florida's water resources and ecosystems, protect our communities from flooding, and meet the region's water needs while connecting with the public and stakeholders.
