Special Edition - Surfside Community - We Stand With You

Champlain Towers South in Surfside, Florida

We Stand With You

to the communities of Surfside and Miami-Dade

The high-rise condos stood like shiny pearls on the pristine beaches of Miami-Dade. They were the first things you spotted when sailing into Biscayne Bay or flying into the Miami International Airport.

They were the essence of Miami. They made us proud.

We are accustomed to hurricane-force winds, torrential rain and king tides. So we were in great disbelief when we watched the tower collapse. This is inexplicable. A tragedy.

To the families who lost loved ones, **We Stand With You.**
To the families who wait to find their loved ones. **We Stand With You.**

To the people of Miami-Dade, **We Stand With You.**

Godspeed to the search and recovery. Please protect our first responders as they bring our neighbors safely home to their families.
