

PALM BEACH COUNTY ELECTIONS REPORT

A monthly newsletter to keep you informed about elections and your elections office.

Internship Program

School is back in session, and the Palm Beach County Supervisor of Elections welcomes local high school and undergraduate students to sign up for our Internship Program. In addition to normal office duties, interns will attend weekly voter education and outreach events, volunteer at special events, participate in scheduled open houses and guided tours, and contribute to a lead project in Palm Beach County. To be considered, students must be committed to public service, demonstrate leadership in our community, and be committed to integrity, accountability and service. Please email info@votepalmbeach.gov or call (561) 656-6200 to learn more!

Vote in Honor of a Veteran

Our Elections Office is proud to participate in the Vote in Honor of a Veteran program that encourages voter participation among students, while educating younger voters about the sacrifices local veterans have made to preserve our right to vote. With over 85,000 brave men and women residing in Palm Beach County who fought to protect our freedoms, it would be our honor to recognize your story - or that of a veteran in your life – on our Wall of Honor. Tell us about your service and why you believe it's important for young people to vote at VotePalmBeach.gov or email info@votepalmbeach.gov.
