

The Slosberg Report

Upcoming in the House of Representatives:

State Representative Emily Slosberg appointed ranking member of the House Pandemics & Emergencies Committee

State Representative Slosberg was appointed ranking member of the 2022 House Pandemics & Emergencies Committee. The House Pandemics & Emergencies Committee is charged with determining the best policies for responding to public health threats and natural disasters.

“I am honored to be appointed as the ranking member of the House Pandemics & Emergencies Committee,” said Representative Slosberg. “I want to say thank you to Speaker Sprowls and Democratic Leaders Bobby DuBose and Evan Jenne for my appointment to this critical committee. I am looking forward to working with Chair Perez and the committee to help pass legislation to ensure the safety of Floridians.

First Responder Protection Legislation:

Representative Emily Slosberg Files Bill for First Responder Protection

Representative Slosberg filed HB 127, Transportation, entitled the First Responder Protection Act, which would strengthen existing protections for first responders under Florida's Move Over Law by prohibiting the handheld use of wireless communications devices while operating a motor vehicle in the immediate vicinity of an active scene where first responders are working.

Animal Welfare Legislation: Rep. Emily Slosberg plans to file a bill prohibiting unattended animal tethering

Representative Slosberg plans to file a House Bill which bans the unattended tethering of domestic dogs and cats as a means of confinement while unattended by an adult. The bill requires that animals be tied to a stationary or inanimate object with a rope, chain, or other means to restrict them be visible to and attended by a person. The bill also prohibits tethering during severe weather to ensure the health, safety and well-being of the animal. There

*Hope you had a wonderful
Yom Kippur!
Lshana tova! Wishing
you all a Happy and
Healthy New Year!*

Condominium Act Legislation:

Rep. Emily Slosberg plans to file an amendment to Florida State Chapter

Representative Slosberg plans to file an amendment to Florida State Chapter 17 in order to allow condo associations to charge a capital contribution on a resale. This would allow for condo associations to build up funds for repair to the condos in order to avoid the tragedy that took place at Surfside.

are exceptions when short-term tethering can protect the health of an animal, and for hunting. There are escalating fines for violations.
