National Voter Registration Day

Your Palm Beach County Elections Office is one of over 2,000 agencies and organizations that have joined forces for National Voter Registration Day to get every American #VoteReady. Our Elections Team has several activities planned throughout the month of September leading up to the September 28th Civic Holiday, such as working with area schools to get students pre-registered. We are on a mission to make sure everyone in our community has the information, tools, and confidence they need to register to vote. Follow us on social media @VotePalmBeach or visit www.VotePalmBeach.gov to learn more!
