Special Primary Election

Special Primary Election Day for U.S. House of Representatives, District 20 is 15 days away, and your Palm Beach County Elections Team is working around the clock to ensure a smooth, fair, and transparent election. This past week, our office completed the public pre-election testing of our voting equipment to ensure our voting systems and equipment are working correctly. We have also begun mailing sample ballots to registered voters who are eligible to vote in the upcoming Special Primary Election and have not requested a Vote-by-Mail ballot or choose to receive their sample ballot by email.

ExpressVote

We are proud to utilize the most cutting-edge technology, equipment, and best practices available that increase voter confidence and accessibility for all voters. That's why ExpressVote equipment will now be used by every eligible voter during Early Voting at all five Early Voting sites in the upcoming Special Election.
