It's been a busy September with National Voter Registration Day and more!

Your Palm Beach County Elections Office is one of over 2,000 agencies and organizations that joined forces for National Voter Registration Day to get every American #VoteReady. Our Elections Team had several activities planned throughout the month of September leading up to the September 28 Civic Holiday, such as working with area schools to get students pre-registered.

Below are just a few highlights from September, which we consider to be "Voter Registration Month!"

Earlier this month, your Elections Team partnered with the City of Riviera Beach to host an Election Information Forum at the Riviera Beach Marina Village, where we provided a socially-distanced, COVID-safe opportunity for residents to register to vote, get election-related updates, prepare for the upcoming Special Election, and learn how recent changes to Florida's election code (SB90) affects voters and the voting process.

We also celebrated National Disability Voter Registration Week from September 13 – 20 to increase the political power of people with

disabilities by getting people registered and sharing resources relating to the several ways voters with disabilities have full access to vote in Palm Beach County.

We continue to be on a mission to make sure everyone in our community has the information, tools, and confidence they need to register to vote. Follow us on social media @VotePalmBeach or visit our website to learn more!

If you are interested in hosting a voter registration or education event, please call us at (561) 656-6200 or email info@votepalmbeach.gov.
