Here to Help: Clerk's Community Programs Connect Customers to Critical Services

The Clerk of the Circuit Court & Comptroller serves a vital role in our community, helping people with the services they need at crucial moments in their lives. Marriage licenses, passports, property deeds and court records are just a few of the services we provide. Many times, people do not know where to turn when these services are needed, which is why we have made community outreach a top priority.

Our team has been busy over the last year connecting directly with the people of Palm Beach County. From local green markets to senior health fairs, we are there to answer questions and show how we can help. We also regularly speak to local groups about our services and our role in the community.

As part of our focus on helping others, we support charitable causes that serve county residents. Over the last few months, we have planted trees with Community Greening, distributed school supplies with United Way and wrapped gifts for children in need with Back to Basics. Employees have donated canned food, raised money for victims of domestic violence and donated thousands of dollars for local charitable causes.

Each charity that we support is directly selected by our employees, representing a cause about which they are passionate. Since 1994, our Clerks for a Cause charitable giving program has raised more than \$1 million for local nonprofit organizations.

Next time you are at a community event, look for our team members in the blue “Here to Help” shirts. We would be happy to answer your questions and help you get the services you need from our office. To learn more about our programs and what we do, visit MyPalmBeachClerk.com.
