

January 2022, Vol. 16, Issue 1

Dear Friends:

First, Happy New Year to you and your family and friends. I am hopeful that 2022 will be a very good year as we return to some level of normalcy.

The new year typically means declaring well-intended resolutions. While not a traditional resolution, I always look forward to this time of year when the weather offers cooler temperatures and gorgeous sunny days, and I can commit to spending more time working in my garden. From planting and weeding to tending to my very productive honeybees, the South Florida winter months, with the lower humidity and cooler temperatures, give me greater opportunity to enjoy the outdoors and my garden.

Gardening has always been a passion of mine and I am so honored to have recently been appointed to the Board of Directors for the Mounts Botanical Garden, which is Palm Beach County's oldest and largest botanical garden. If you, like me, share a love for the outdoors and the many native plants here in Florida, I encourage you to visit Mounts Botanical Garden at 531 North Military Trail, West Palm Beach. You can visit www.mounts.org for more information and maybe I will see you there!

Sincerely,
