

April 2022, Vol. 16, Issue 4

Dear Friends:

April brings the close of the property tax season for our office, but the work continues. Now we must manage the work associated with the delinquent property tax payments. Of course, vehicle registrations, driver license, title transfers and all our other services continue in earnest. On top of that, April 30 is the deadline to sign up for our convenient Installment Payment Plan (IPP) where you can have your property tax or tangible personal property tax divided up into four payments during the year. So, if your taxes are not escrowed by your lender and you want to avoid having to pay your taxes in one lump sum, I encourage you to visit www.pbctax.com/ipp for additional information and to sign up. But hurry, the deadline is April 30!

Sincerely,

A handwritten signature in black ink that reads 'Anne' in a cursive script.
