

March 2022, Vol. 16, Issue 3

Dear Friends:

After finding the right location for our newest service center, more than a year of construction and just about twenty-two miles of cables, I was thrilled to officially open our Westlake Service Center on February 22! With an audience of distinguished guests from the County and City of Westlake, the ribbon was cut, and the service center was open for business! It is always a tremendous undertaking to construct and open a new facility and my staff, led by Joe Sverak, Chief Information & Facilities Officer, and all our partners did an amazing job bringing this new 23,735 square-foot state-of-the-art service center to the growing western communities of our county. My staff and I are looking forward to serving our residents in that area!

I also want to remind you that if you have not yet paid your 2021 property tax, the March 31 deadline is fast approaching. Visit our website, [www.pbctax.com](http://www.pbctax.com) to make a payment before the deadline!

Sincerely,
