

The Elections Experience Tour

Back by popular demand, your Palm Beach County Elections Team hosted The Elections Experience Tour on May 4th, where the public and media got to participate in a behind-the-scenes learning experience on how ballots are mailed, verified, and tabulated to ensure every vote counts. Guided tours throughout the day allowed visitors to ask questions of our Elections Team and learn each step of the election process at our Voting Equipment Service Center. Couldn't make it? Check out our Virtual Elections Experience Tour on social media @VotePalmBeach.gov and visit each learning station from the comfort of your own home!
