June 2022 Newsletter Topics

Hurricane Preparedness Tips:

Hurricane season begins June 1 and lasts until November 30. If a hurricane strike becomes imminent, it will be imperative that you are prepared and informed both before and after the storm.

Internet Safety Month:

Careless internet habits can leave you and your personally identifying information exposed to scammers. Each year, June is designated as a time to review our online behavior and identify safer ways we can use the internet.

Children and Online Safety:

While it is extremely important to teach kids to look both ways before crossing the street and to be wary of strangers, it is equally important in today's world to teach them about online safety.

Choosing and Changing LP Gas Suppliers:

If you use propane in your home, you have many options when it comes to suppliers. Being an educated consumer can help you make the right choice.

Bed Bug Awareness Week:

Bed bugs are one of the most common problems experienced by people around the world. Learn how to recognize, prevent, and control them.
