

## Bringing Our Services to You

One of my most important responsibilities as your Clerk of the Circuit Court & Comptroller is connecting you with the services our office provides. Since taking office in 2021, my team and I have traveled throughout Palm Beach County to meet you and inform you about everything from our Property Fraud Alert system to our Self-Service Center services to how our management of the County's investment portfolio saves you money.

It is my priority to make our knowledgeable staff easily accessible to you, outside of our offices. You'll see our team at community events and association meetings throughout Palm Beach County. Our team also works with local cities and public libraries to host "office hours," giving you an open forum to ask questions about the services that our office provides.

We also help to keep you informed across several platforms. Whether it's on [YouTube](#) with our [expert-led webinars](#), on our social media sites with stories about our employees, on TV and radio with tips on how to [stay alert for scammers](#) - or community newsletters just like this one - it is important to us that we can help you stay an informed citizen.

Public service is not just a turn of phrase for our employees. In 2022, our Clerk team raised more than \$43,000 for local nonprofits and volunteered more than 2,500 hours of their own time on weekends to give back to the community that they serve during the week. From cleaning the [South Florida National Cemetery](#) in advance of Veterans Day to tending the [Riviera Beach Community Garden](#), they are out on the ground proving that they are here to help.

Stay up to date with where we will be next in the community [through our website](#), @ClerkPBC on [Facebook](#), [Twitter](#) and [Instagram](#), [LinkedIn](#) and our [monthly email newsletters](#).

Regards,

Joseph Abruzzo
