February 2023, Vol. 17, Issue 2

Dear Friends:

This month, I thought I would share a few “fun facts” about our office that I find quite interesting:

- In December, our Client Care & Research Center answered 18,840 phone calls.
- The Top 5 states from where newly licensed Florida drivers previously resided are, New York, New Jersey, California, Pennsylvania and Massachusetts.
- Each month, we electronically distribute more than 40,000 satisfaction surveys to clients who visit our service centers in person or contact our office by phone.
- For this current property tax season, 65% of property owners paid their property taxes during the month of November.
- The cat, pictured poking its head out of the milk can in our Installment Payment Plan advertisement, is my very own kitty, Ms. Bader.

Don't get stuck with a lump sum property tax payment!
