

NO HATE!

in Palm Beach County

Gregg K. Weiss
Palm Beach County Mayor, District 2

What: A town hall to discuss recent incidents of antisemitism, bigotry and hatred and what we as a community can do about it.

When: March 2, 2023, 10 a.m. – 11:30 a.m.

Where: South County Civic Center
16700 Jog Road, Delray Beach

Who: WPTV's Michael Williams will moderate a panel with experts from law enforcement, non-profits and education

The recent displays of antisemitism in Palm Beach County show that hatred of Jews is not historical and distant but it is here and now. Agitators from outside our community have been distributing hateful leaflets and projecting bigoted anti-Jewish messages and symbols on buildings.

This is not just an issue for the Jewish community, it's an issue for all of us. When one group is targeted, it undermines the fabric of our society, and undermines the very principles upon which this great nation was founded.

That's why we're hosting a town hall.
