

August 2023, Vol. 17, Issue 8

Dear Friends:

With the arrival of August, we find ourselves, once again, gearing up for property tax season. It all starts this month when the Palm Beach County Property Appraiser sends out a TRIM (Truth-In-Millage) Notice to all property owners. This notice contains the property's value as of January 1, the millage rates proposed by each local government entity, and finally, it contains an estimate of the proposed property taxes. The TRIM Notice also contains information about local governments' budget hearings, providing each property owner with the opportunity to attend and comment on the proposed millage rates. Then, by November 1, my office will send out more than 600,000 2023 tax bills to each property owner that must be paid by March 31. You can visit the Property Appraiser's website at [www.pbcgov.org/papa](http://www.pbcgov.org/papa) for more information about the TRIM Notice and the Value Adjustment Board appeals process.

So, watch your mail this month for your TRIM Notice from the Property Appraiser and then in early November, watch your mail for your tax bill sent by my office and remember to pay early and save!

Regards,

Anne M. Gannon
