**No waste collection in unincorporated Palm Beach County on Thanksgiving Day**

**Graphic:** Attached

Garbage, recyclables, yard waste and bulk waste will NOT be collected on Thanksgiving Day, Thursday, Nov. 24, for residents living in unincorporated Palm Beach County. Solid Waste Authority of Palm Beach County (SWA) transfer stations, Home Chemical & Recycling Centers, landfill and administrative offices will be closed. In addition, Customer Service team members will not be on duty.

There will be no makeup collection day for garbage, recycling, yard waste or bulk waste. Waste collection for unincorporated residents impacted by the holiday will resume on their next regularly scheduled service day:

- Garbage collection: Monday, Nov. 27
- Recycling, yard waste and bulk waste collection: Thursday, Nov. 30

With the increase of garbage around the Thanksgiving and Christmas holidays, there are special holiday provisions in the collections contract for residents living in unincorporated Palm Beach County, as follows:

**Garbage**

- Per the collections contract, on the Friday, Saturday and Monday following Thanksgiving, and from Dec. 26 through Jan. 1, excess garbage can be placed outside of the standardized SWA garbage cart at the curb for pick up
  - Excess garbage placed outside of the standardized SWA garbage cart must be properly secured in plastic bags weighing less than 50 pounds when filled
  - All waste should be placed curbside by 6 a.m.

**Recycling**

- Oversized or excess cardboard may always be placed beside the yellow recycling bin for collection
  - All non-cardboard packing material must be removed

**Yard waste**

- Remains limited to six cubic yards on the next yard waste collection day

**Bulk waste**

- Remains limited to three items at the curb on the next bulk waste collection day

SWA administrative offices will also be closed the Friday (Nov. 24) after Thanksgiving. However, the transfer stations, Home Chemical & Recycling Centers, and landfill will be open and waste collection will occur as scheduled. There will also be a limited number of Customer Service team members available to assist residents with their questions or concerns. The SWA Customer Service team can be reached at 561-697-2700, 866-792-4636 (toll free) or [contactcis@swa.org](mailto:contactcis@swa.org).

Residents in unincorporated Palm Beach County can see their updated collection schedule, set reminders and sign up for collection information through the ["My Pick-Up Days" tool](#) on the SWA website.

Residents who live in one of Palm Beach County's 39 municipalities should contact their municipality directly for holiday collection schedule information. A [list of municipal contacts](#) can be found online.

There are only two observed holidays during which residents in unincorporated Palm Beach County will not receive garbage service:

- Thanksgiving Day: Thursday, Nov. 23, 2023
- Christmas Day: Monday, Dec. 25, 2023

There will be normally scheduled collection services for unincorporated residents on the following days:

- Christmas Eve: Sunday, Dec. 24, 2023
- New Year's Eve: Sunday, Dec. 31, 2023
- New Year's Day: Monday, Jan. 1, 2024

Visit the SWA's website for more information on [holiday collection](#), as well as SWA [facilities and hours](#).

#### **About the Solid Waste Authority of Palm Beach County**

The Solid Waste Authority of Palm Beach County (SWA or Authority) is a Dependent Special District that was created by the Florida Legislature in 1975. Since then, the SWA has developed an award-winning integrated solid waste management system to handle the county's waste and recyclables. We call ourselves AWAY: whether you throw it, recycle it or flush it AWAY, we put your waste to work. Each year, we:

- Process 100,000 tons of [recyclables](#)
- Combust approximately 1.8 million tons of trash to generate electricity at [renewable energy facilities](#)
- Produce enough electricity to power approximately 90,000 homes
- Recycle more than 130,000 tons of [wastewater treatment residuals](#) (sludge from flushes) into an environmentally-friendly fertilizer amendment
- Safely recycle or dispose of almost 4.9 million pounds of [home hazards](#)
- Collect rainwater from the roofs of [Renewable Energy Facility 2](#) and store it in a 2-million gallon cistern, which is used as part of the energy making process

Anyone can [sign up on the SWA's website](#) to receive SWA news, calendar updates, job announcements or other web postings of interest. Should you sign up online to receive SWA's news releases, we can remove you from the distribution list by sending a reply with the subject "REMOVE" as a reply to this email.
