Special Edition: 4th of July Issue

My Fellow Americans,

The one day we can all truly feel American is on our nation's birthday, the Fourth of July.

It has been said that fireworks reflect the power and might of our nation and our willingness to fight for our freedoms, which is why we celebrate our country's birthday with such dynamic, awe-inspiring imagery.

I invite everyone in Palm Beach County to come together to celebrate our nation's birthday with friends, family and our community.

Happy birthday, America!
