

New Kosher Hospitality Room at Delray Medical Center

Delray Medical Center proudly dedicated its new Kosher Hospitality Room today with a Ribbon Cutting celebration! A special thank you to Dr. Dov Pickholtz, Internal Medicine; Dr. Jonathan Rosman, Electrophysiology; Rabbi Heber of Chabad of East Delray; Hatzolah of South Florida; and Lori Vinikoor, President of Alliance of Delray Residential Associations, and Governing Board Member, for attending our event. Here is President Vinikoor's presentation on video:

Jewish families visiting patients now have a quiet place to obtain kosher food without having to leave the hospital. The Kosher room is easily accessible on the first floor of the hospital near the Legacy Lobby and Chapel.

Features of the room include:

- Perishable and non-perishable Glatt Kosher and Cholov Yisroel food
- Refrigerator
- Electric pot for hot water
- Coffee station and cold drinks
- Separate dairy and meat microwave
- Comfortable seating
- Prayer books and reading material
- Hospital-safe shabbat packages and resources for families
