Elections Report

A monthly newsletter to keep you informed about elections and your elections office.

From the Desk of Supervisor Link

We are only seven weeks away from Election Day in November. If you haven't yet, now is the time to make your plan to vote and be election ready. Last month, at the Board of County Commissioners meeting, Palm Beach County Mayor Sachs declared September as National Voter Registration Month in Palm Beach County, and there's no better time to ensure you're prepared for the upcoming 2024 General Election!

From a voter registration challenge at all local high schools and colleges to naming a special brew at a local hotspot, our Elections Team is out in the community, hosting events, answering questions, and working around the clock to ensure Palm Beach County is election ready.

As we approach the November 5th General Election, it's crucial to make sure YOU are election ready. Don't forget that the deadline to register to vote in the 2024 General Election is October 7th, and the deadline to request a Vote-by-Mail ballot is October 24th by 5:00 p.m.

Whether you're registering for the first time or updating your information or signature, our office is here to help every step of the way.

Happy National Voter Registration Month!
