## Lake Worth Drainage District: Community's Role In Flood Control

Join us for a free workshop where you can learn how to effectively contribute to flood control in your community. This in-person event is tailored for property managers, association board members, and others who oversee drainage operations. The workshop will take place on Thursday May 1, 2025, from 9:00 to 11:00 AM at our Delray Beach office. Participants will receive two CAM CEUs.
